Wizards of the Coast reserves the right, at its sole discretion, to suspend, modify and change this document or the programs it supports at anytime without notice, including, but not limited to, modifying all eligibility and invitation criteria.

1. TOURNAMENT ELIGIBILITY

Players that are currently suspended are not eligible to compete in any sanctioned tournaments and may not receive Planeswalker Points-based invitations or be awarded byes to tournaments.

Certain individuals may not be eligible to compete in certain sanctioned tournaments because of their employment status (e.g. Wizards, Hasbro, or other employees).

Tournaments are classified as open or invitation-only. Any player may compete in an open tournament as long as he or she is not currently suspended and satisfies the nationality eligibility requirements, meets the general tournament eligibility requirements set out in the [Magic: The Gathering Tournament Rules](#) and any other restrictions or requirements as listed under the description for that open tournament. Only eligible players who have received an invitation from Wizards may compete in invitation-only tournaments.

2. INVITATION REGULATIONS

Invitations awarded by means described within this policy are officially awarded only upon Wizards' verification of tournament results and reports provided by tournament organizers to Wizards in the proper files and forms.

Invitations described in this policy may not be transferred or passed down from one player to another, except as explicitly described in this policy. Invitations must be used for the tournaments to which they apply and may not be deferred to future events. A player's ability to compete in any particular tournament is subject to the requirements stated in this policy, including without limitation, that each player meet the eligibility requirements for that tournament and submit a signed competitor waiver.

Except as specifically stated and described in this policy, invitations may not be renounced by players, and in the event that a player cannot (or chooses not to) use an invitation, the invitation will not be assigned to another player.

If you receive an invitation, you acknowledge and grant Wizards permission to publish your name in the appropriate Tournament Invitation List. Tournament invitation lists are published on the [Magic: The Gathering website](#) in the appropriate tournament fact sheet.

Invitations, byes, and any other awards associated with those invitations or byes will not be awarded until complete event results are reported to, received, and reviewed by Wizards. If a tournament official incorrectly or improperly issues an invitation for any reason, Wizards reserves the right, at its sole discretion, to withhold any and all invitations, byes, and other awards associated with those invitations or byes for an event. Invitations, byes, and any other awards associated with those invitations or byes may be rescinded by Wizards upon investigation. Any such decisions are final and cannot be appealed.

Certain invitation criteria in this document require a player to be a member of the Pro Tour Players Club. Information about the Pro Tour Players Club can be found at the [Pro Tour Players Club Information](#) page.

Certain invitation criteria in this document require a player to be a member of the Pro Tour Hall of Fame. Information about the Pro Tour Hall of Fame can be found at the [Pro Tour Hall of Fame Information](#) page.

Wizards reserves the right to grant additional invitations or byes to players from time to time, at its sole discretion.

3. PRIZE ELIGIBILITY

Premier Events and Pro Tour Players Club Membership may offer awards in the form of prizes, airfare, and hotel awards (each a "Travel Award" and collectively, "Travel Awards"). Each award is subject to the terms of this policy and any other policy or agreement as determined by Wizards.

If a player earns a Travel Award and the player is subsequently suspended before or during the tournament to which the player has been awarded the Travel Award, such player (1) is not eligible to compete in the tournament, and (2) forfeits his or her Travel Award.

A player is eligible in part for a Travel Award if he or she either:

- Has played in a particular Premier Event and has placed in the final standings where such an award would be earned according to fact sheet published by Wizards or an authorized tournament organizer for that particular Premier Event; or
- Is of sufficient membership level in the Pro Tour Players Club to receive such an award (as determined by Wizards).

Monetary prizes and Travel Awards earned at the following Premier Events are issued by the U.S. offices of Wizards of the Coast LLC:

- Pro Tour
- **Magic: The Gathering** World Championship
- World **Magic** Cup
- World **Magic** Cup Qualifiers
- Regional Pro Tour Qualifiers

Note: Monetary prizes at these Premier Events are issued in U.S. Dollars.

All prizes and Travel Awards based on membership in the Pro Tour Players Club are issued by the U.S. offices of Wizards. Monetary prizes for these Premier Events are issued in U.S. dollars.

- Before being awarded any Monetary Prize, the potential recipient must, among other things, submit to Wizards of the Coast LLC: (i) a signed Consent and Release Agreement, (ii) the appropriate IRS tax form, (iii) provide proof of identification, and (iv) any other documentation designated by Wizards.

A player eligible for a prize must claim his or her prize within one (1) year from the date of the Premier Event in which he or she won the prize, or the prize is forfeited.

A player eligible for a Travel Award must arrange that travel with Wizards of the Coast LLC or its designee no later than thirty (30) days prior to first day of the Premier Event to which he or she won such Travel Award. Any travel arrangements not made prior to this date will be forfeited. All Travel Awards are subject to the terms and conditions set forth below.

Information on how to collect your Travel Award from a Premier Event can be found [here](#).

Wizards of the Coast LLC reserves the right, in its sole discretion, to modify any and all prize or award structures, and to substitute any prize or award for another prize or award in its sole discretion.

All Travel Awards are subject to the following additional terms and conditions:

- All Travel Awards are non-transferable, non-negotiable, and not redeemable for an alternative Travel Award or prize, except in Wizards' sole discretion.
- A player may only be awarded one Travel Award per Premier Event. If a player already possesses a Travel Award to a Premier Event, all further Travel Awards earned for that Premier Event are forfeited.
- All taxes are the responsibility of the individual receiving the Travel Award.
- Before being awarded any Travel Award, the potential recipient must, among other things, submit to Wizards of the Coast LLC: (i) a signed Consent and Release Agreement, (ii) the appropriate IRS tax form, (iii) provide proof of identification, and (iv) any other documentation designated by Wizards.
- An airfare award shall consist of one (1) roundtrip coach air ticket, on an airline chosen by Wizards or its designee, from the major airport nearest the recipient's home to the city in which the applicable tournament or championship will be held, during the time of such tournament or championship.
- The Travel Award winner agrees to adhere to all instructions provided by Wizards to assist Wizards or its designee in booking such air ticket.
- Wizards or its designee will only book the air ticket to include the days of the applicable tournament or championship.
- Lodging, meals, gratuities, ground transportation, airline baggage fees, fees caused by changes to airline reservations, and any other fees, costs or expenses are the winner's sole responsibility.
- Travel must be taken on dates designated by Wizards or the Travel Award will be forfeited.
- Individuals may not change airline ticket dates without Wizards' prior written approval.
- Specific travel dates and arrangements are subject to availability.
- Minors (i.e. those under 18 years of age) who earn a Travel Award are not eligible to be awarded the plane ticket travel or hotel awards. Instead, minors will be awarded a "Cash Equivalent Award" equal to the cost of a round trip ticket to the Premier Event in question or the equivalent hotel costs, as applicable and as determined by Wizards in its sole discretion. This award will be issued only if the player actually attends and participates in the Premier Event in question. Wizards will pay out this "Minor Qualifier Travel – Cash Equivalent Award" after the Premier Event along with the rest of the Premier Event payouts.

4. NATIONALITY ELIGIBILITY

Many tournaments described in this document have nationality restrictions that determine whether a player is eligible to participate in or receive invitations to those tournaments.

The nationality-specific participation or invitation criteria are the following:

- Geo-region-based Planeswalker Points invitations to the **Magic: The Gathering** World Championship.
- Eligibility to participate in or receive an invitation to a specific country's World **Magic** Cup Qualifier tournaments.
- Eligibility to participate in a specific country's World **Magic** Cup Qualifier Trial tournaments.
- Eligibility to be a member of a specific country's national team for the World **Magic** Cup.

A player's current country of nationality for the purpose of nationality-specific participation or invitation criteria (listed above) is recorded in that player's account on the [Planeswalker Points](#) website.

If a player wishes to change his or her country of nationality eligibility, that player must follow the instructions in *Section 6 - Appeals*. All nationality eligibility appeals must be received by **March 1** of the year in which the tournament for which the player is submitting the appeal takes place.

Players may only participate in one country's World **Magic** Cup Qualifiers, World **Magic** Cup Qualifier Trials, or be a member of one country's National team for the World **Magic** Cup in a calendar year.

As a corrective action, Wizards of the Coast can change a player's nationality at any time. If a player has been awarded and invitation (or other status) for a particular country is later found to be ineligible to represent that country based on that player's Nationality, that player's invitation can be rescinded and awarded to the next eligible player.

Wizards of the Coast is the final determiner of a player's country of nationality for the purpose of nationality-specific participation or invitation criteria.

5. PLANESWALKER POINTS-BASED INVITATIONS AND BYES

Some Premier Events have invitations or byes based on Planeswalker Points. For complete details regarding Planeswalker Points, the Planeswalker Points categories, and to find out which events give points in which categories, please read the information section of the [Planeswalker Points](#) website.

The Seasons (defined below) set forth in this Invitation Policy will be updated periodically in this document.

There are three (2) different Planeswalker Points categories that provide for Premier Event invitations and byes:

i. YEARLY AWARD POINTS

Yearly Award Points are used to invite players to World **Magic** Cup Qualifiers and award byes to Grand Prix.

Each Yearly Award Points Season is comprised of all competitive (non-casual) events during that season's date range listed in the table below (EXCLUDING Pro Tour, World **Magic** Cup, and **Magic: The Gathering** World Championship Tournaments).

During each Yearly Award Season, players that have accumulated the required number of Yearly Award Points will receive an invitation to his or her country's World **Magic** Cup Qualifiers for a specific year (see table below).

ii. PROFESSIONAL POINTS

Professional Points are used to determine (a) invitations to the **Magic: The Gathering** World Championship, (b) membership on national teams invited to the World **Magic**

Cup, and (c) membership in the Pro Tour Players Club (see chart below for specific events).

Each Professional Points Season is comprised of Pro Tour, Grand Prix, World **Magic** Cup, and **Magic: The Gathering** World Championship events during that season's date range listed in the table below. Starting with the 2014-2015 Professional Points Season, only a player's six (6) best Grand Prix finishes will be added to his or her point total.

Professional Points are officially awarded on the final day of each tournament after the final standings have been determined, but before invitations are issued, when applicable. Only players who actually compete in a particular tournament will receive Professional Points for that tournament. Professional points are awarded based on the Professional Points charts in [Appendix B](#).

6. APPEALS

If a player believes that an error in his or her event history has caused an invitation or bye to be wrongly withheld, he or she may file a formal appeal with Wizards pursuant to the following process:

i. PLANESWALKER POINTS-BASED APPEALS

Appeals for invitations or byes based on specific Planeswalker Points-based invitation criteria must be submitted and received by Wizards no later than **four (4) weeks** prior to the start date of the tournament in question.

Complete information regarding Planeswalker Points-based appeals can be found in the [Magic Event Appeal Policy](#).

Planeswalker Points-based appeals may only be submitted through the [Planeswalker Points Event Appeals Form](#). You must be logged into your Planeswalker Points account in order to access the Event Appeals Form.

ii. PRO TOUR PLAYERS CLUB LEVEL APPEALS

Appeals for invitations or byes based on a Pro Tour Players Club achievement level must be submitted in writing and received by Wizards no later than **ten (10) days** prior to the start date of the tournament in question.

Pro Tour Players Club achievement level-based appeals must be submitted through the Wizards Help System at www.wizards.com/customerservice with "Pro Tour Players Club Inquiry" in the subject line.

iii. NATIONALITY ELIGIBILITY APPEALS

Appeals to change a player's current country of nationality for the purpose of nationality-specific participation or invitation criteria (listed in *Section 4 – Nationality Eligibility*) must be submitted in writing and received by Wizards no later than **March 1** of the year in which the tournament for which the player is submitting the appeal takes place. Players should indicate in detail the reason they are requesting the change.

In order for a nationality appeal to be considered, a player must be either:

- a citizen of that country, or
- have been a continuous resident of that country from January 1 of the previous year through the date of the participatory tournament or award of invitation.

Nationality eligibility-based appeals must be submitted through the Wizards Help System at www.wizards.com/customerservice with "Nationality Eligibility Appeal" in the subject line.

If a nationality eligibility appeal is granted, the change is considered permanent.

Decisions by Wizards of the Coast regarding any appeal are final and cannot be further appealed. By participating in sanctioned tournament play, you agree to be bound by any such decision made by Wizards, in its sole discretion.

7. PLAYER OF THE YEAR AND ROOKIE OF THE YEAR

The player with the most Professional Points over the course of a Professional Points Season is identified as the Player of the Year. In the event that two players tie, the Player of the Year will be determined by a single-match playoff.

(Note: the Pro Tour invitation criteria listed above do not generate a pass down of invitations from one player to another.)

13. REGIONAL PRO TOUR QUALIFIERS

Each Pro Tour is preceded by a round of tournaments known as Regional Pro Tour Qualifiers. Regional Pro Tour Qualifiers award invitations to a designated Pro Tour. Regional Pro Tour Qualifiers are invitation-only tournaments.

Players that are qualified for Regional Pro Tour Qualifiers on a particular round are permitted to play in only one (1) Regional Pro Tour Qualifier during that Regional Pro Tour Qualifier round.

GRAND PRIX BYES AWARD CRITERIA

A player may be awarded byes for individual-format Grand Prix based on one or more of the following criteria:

- Winning a Grand Prix Trial (including including **Magic Online** Grand Prix Trials)
- Having a sufficiently high number of Yearly Award Points
- Having a specific Pro Tour Players Club level
- Being a member of the Pro Tour Hall of Fame

GRAND PRIX BYE RESTRICTIONS

Players can be awarded one-, two-, or three-round byes for individual-format Grand Prix. Byes are not cumulative within a given Grand Prix or from one Grand Prix to another. Byes may not be passed down to other players for any reason and are not transferable. Byes may not be deferred from one Grand Prix to another and must be earned each time. Players that accumulate multiple byes to a Grand Prix are awarded only the bye for the greatest number of rounds.

If a player is awarded a bye, he or she is considered to have earned 3 points in the Grand Prix for each of those rounds. Byes are not counted toward a player's opponent's match win percentage. Players with byes will usually have an advantage in tiebreakers over players that do not have byes.

Teams are not awarded byes in team-format Grand Prix.

BYES AT INDIVIDUAL-FORMAT GRAND PRIX

Planeswalker Points-based byes at individual-format Grand Prix are based on the Yearly Award Points Seasons designated to award byes to all Grand Prix held during a specific range of dates. See [Section 5 – Planeswalker Points Based Invitations and Byes](#) for complete information:
