

Wizards Play Network Code of Conduct

Updated: January 1, 2017

Wizards of the Coast is dedicated to bringing people together through their shared love of games. In support of this goal, we have created this Wizards Play Network (“**WPN**”) Code of Conduct, to govern how WPN Members (as defined in the [Wizards Play Network Terms](#) and Conditions “**WPN Terms**”), including store owners and all people and companies you employ, utilize or otherwise recruit to work in your Retail Store (also defined in the WPN Terms) or to assist with conducting Events (also defined in the WPN Terms), interact with the greater communities who play our games. As a member of the WPN, you agree to abide by this WPN Code of Conduct as well as additional policies distributed by Wizards.

PUT FUN FIRST

Competition is a part of our games, but win or lose, we keep it friendly, respectful, and fun.

WELCOME EVERYONE

Our community includes a range of diverse people. No matter who sits down at the table with us, we make them feel welcome.

KEEP IT CLEAN

We’re all caretakers of the game experience, and that includes the spaces we play in. Each of us should help maintain a clean and safe environment for all.

OBEY THE RULES

We follow all event rules in order to create an experience everyone can enjoy.
